Assessment Checklist for Initial Ethics Review

Research Title	PiyaNota: A Mobile Application for Optical Music Recognition and Piano Audio Rendering of Filipino Choral Sheet Music
Names of Proponents	Paula Sophia V. Macalindong
College/Department	College of Information and Computer Studies (CSD)
Semester/SY	1st Semester/ SY 26' - 27'
Course code	BCS45
Contact details of primary proponent (email and mobile no.)	MPV0154@dlsud.edu.ph | 09190747420
Research Adviser	Tita R. Herradura
Email address of adviser	trherradura@dlsud.edu.ph

Table 1. Research Participants / Test Subjects

No.	Pre-conditions	Recommendations
1.	The study will not involve any human or animals as test subjects.	College issues Research Ethics Clearance
2.	The study will involve humans as participants/test subjects.	
2.1	The human participants do not belong to IP group, minors, trauma victims, or any vulnerable groups.	Go to Table 2
2.2	The human participants belong to IP group, minors, trauma victims, or any vulnerable groups.	Refer to DERC
3.	The study will use plants/animals as test subjects.	Accomplish BSD Ethics Form

Table 2. Research Protocol

No.	Conditions	Yes	No
1.	The protocol involves discussion or gathering of critical, confidential, or sensitive topics/data from the participants.	☐	☐
2.	The protocol involve giving drugs, placebos, or other substances (e.g. food supplements, herbal medicines) or administering invasive, intrusive or potentially harmful procedures of any kind to the participants.	☐	☐
3.	The protocol involves obtaining body samples (e.g. blood, hair, urine, etc.) or inflicting pain from the participants.	☐	☐
4.	The protocol involves inducing psychological stress, discomfort, anxiety or cause harm or negative consequences beyond the risks encountered in normal life of the participants.	☐	☐
5.	The protocol involves prolonged or repetitive testing.	☐	☐

A YES answer does not mean the disapproval of your research proposal. However, if there is a YES answer to any of the five conditions, the proponents must be advised to accomplish Ethics Review Application and submit to DERC. If all the answers are NO, the College ERC shall issue the Research Ethics Clearance Form.

Recommendation:

☑ Issue College Research Ethics Clearance (CERC)

☐ Refer to DERC for expedited or full ethics review

☐ Accomplish BSD Form before issuance of CERC

Assessed:

JENNYLINDE R. MANAOIS
Chair, Research Review Panel (RRP)

TITA R. HERRADURA
Research Adviser

SHERYL D. KAMANTIGUE
Member, RRP
